In our capacity as statutory auditors of your Company and in accordance with the requirements of Article L. 225-115 5° of the French Commercial Code (*code de commerce*), we have prepared this attestation on the information relating to the total amount of payments made pursuant to Article 238 bis, paragraphs 1 to 5, of the French General Tax Code (*Code général des impôts*) for the year ended December 31, 2025, contained in the attached document.

This information was prepared under the responsibility of your Chief Executive Officer.

Our role is to attest this information.

In the context of our role as statutory auditor, we audited the financial statements of your Company for the year ended December 31, 2025. Our audit was conducted in accordance with professional standards applicable in France, and was planned and performed for the purpose of forming an opinion on the financial statements taken as a whole and not on any individual component of the accounts used to determine the total amount of payments made pursuant to Article 238 bis, paragraphs 1 to 5, of the French General Tax Code. Accordingly, our audit tests and samples were not carried out with this objective and we do not express an opinion on any components of the accounts taken individually.

We conducted the procedures that we deemed necessary in accordance with the professional guidelines of the French National Institute of Statutory Auditors (*Compagnie Nationale des Commissaires aux Comptes*) relating to this engagement. Those procedures, which constitute neither an audit nor a limited review, consisted in performing the necessary reconciliations between the total amount of payments made pursuant to Article 238 bis, paragraphs 1 to 5, of the French General Tax Code and the accounting books and records from which this amount is taken and verifying that the information agrees with the items used to prepare the financial statements for the year ended December 31, 2025.

Based on our work, we have no observations to make on the correspondence between the total amount of payments made pursuant to Article 238 bis, paragraphs 1 to 5, of the French General Tax Code as stated in the attached document and amounting to €6,870,513 and the accounting books and records used to prepare the financial statements for the year ended December 31, 2025.
